Key Facts Sheet - Health Division

This fact sheet relates to our automatic insurance cover, also known as Default cover, for Prime Super Health Division members

Don't forget, if you or your employer stop making contributions, your **insurance fees will continue to be deducted from your super balance.**

Subject to eligibility, we provide you with insurance cover automatically when you join, and deduct fees from your super so you don't have to remember to pay for it.

Eligibility for automatic (Default) insurance cover

To be eligible for automatic cover you must be a member of Prime Super and:

- be aged between 25 years and 70 years, and
- have an account balance of \$6,000 or more.

Members will receive automatic cover when they are aged 25 and over and have an account balance of \$6000 or more. Members must opt in to receive automatic cover if they do not meet the above criteria. Personal members who are not in active employment qualify with limited cover restrictions.

Other eligibility requirements:

You must be in Active Employment.

Employer contribution received within 120 days of commencing employment. Cover is limited to 24 months if a contribution is received outside of 120 days.

* Active Employment means an ability to perform or be capable of performing all the duties of your normal job on a full time (35 hours per week) basis on the date that cover starts. Limited Cover** applies until you are in Active Employment for 30 consecutive days.

** Limited Cover means that cover is only for claims arising from an illness which first became apparent, or an injury which occurs on or after your cover starts

What are your options?

Keep it

Keep the insurance cover you receive automatically.

Decide if the automatic cover meets your needs. Review your cover when your circumstances or financial commitments change. For example, you change jobs, start a family, buy a property, divorce etc.

Cancel it

Cancel your insurance cover.

You will not be able to make a claim with us for an event that occurs after your cover is cancelled. If you cancel your cover, insurance fees will stop being deducted from your account. If you want cover later, you will have to apply and be assessed by our insurer.

Tailor it

Change the cover to meet your needs.

You can reduce your cover at any time. You can also apply to increase your cover.

Circumstances that may affect your insurance cover

The following may change your insurance cover:

- Ceasing work with your employer
- No superannuation contributions received for 16 months or more
- Whether or not you're over the age of 25 years
- Changing or combining your superannuation accounts
- A change in your working hours
- You are on extended employer approved leave
- Your account balance falls below \$6,000
